

## **LITTLE EATON PARISH COUNCIL**

### **The Living Advent Calendar for Little Eaton** **is on its way!**

Lots of people all around the village have volunteered to be part of the first living advent calendar in Little Eaton. We are hoping this will become a festive highlight in the village this Christmas and perhaps for many years to come.

Every evening from the 1<sup>st</sup> until the 24<sup>th</sup> of December at 6pm a new window will be revealed somewhere in the village.

Once opened each window will be illuminated every night between 6pm and 10pm.

The windows will stay illuminated and in place until at least the 1<sup>st</sup> of January or until twelfth night if anybody is really keen!

In the last week of November we'll put a list of addresses taking part and a map so you can find them easily on the Little Eaton Parish Council website. They will also be displayed on noticeboards around the village.

You will be able to follow the map and visit every window as it is opened or wait until a few have been opened and enjoy them as you walk around the village.

Please remember to adhere to government guidelines on social distancing when you are enjoying the windows.

Pictures of the windows will also be put up on a regular basis on Little Eaton Parish Council website and on Spotted Little Eaton Facebook page so even if you can't get out then you can enjoy the displays throughout December.
